

# Overcoming the digital-news generation gap

Dan Lamothe  
The Washington Post

# **What it means for all of us**

**-- Shaping a story is an ever-changing and ever-competitive process**

**-- If the main players in a story won't talk, someone else will**

**-- Just about any given story can “go viral” – or die on the vine**

# Packaging news has changed

“The type of bombs used in Brussels have been seen before”

“It’s called ‘Mother of Satan.’ And it wreaked havoc in Brussels.”
